# Welcome...

We are Shane & Sunny Dwyer, and we love people.

As you enjoy Shane & Sunny's work, the commitment to quality is obvious. They commonly hear...

"...piece of art..."

"...breath taking..."

"...full of emotion...."

When you walk into a home and see a Shane & Sunny portrait on the wall, you can just feel the love and emotion brought forward as you look into their eyes. They capture the now and showcase it for families around THEIR homes.

Shane & Sunny have been chosen to photograph many high profile families and events in and around Lincoln, not limited to The First Family of Nebraska, College World Series, Team Jack, March of Dimes Chef Event, and the American Heart Association. They also choose to give a large portion of their time back to Christian Heritage, an organization that is near and dear to their hearts.

All that aside, Shane & Sunny's REAL gift and talent is working with people that value family. With 3 children at home, family is top priority.

"Many people spend their whole lives trying to be something they are not. It's our mission to showcase the beauty that already exists."
